

REJOICE *always*
PRAY *continually*
GIVE *in all*
THANKS *circumstances*

Pray for health and perseverance for our Staff, as July is the long haul for the summer

Last month, Marcia and I had the privilege of attending a celebration of life service for Arnie and Anne Rochol, long-time supporters and former part time staff at Lake Beauty Bible Camp. After retiring from pastoral service in the early 1990's, Arnie and Anne moved to a house on the east shore of Lake Beauty right across from camp. Both were soon employed part time at LBBC, Anne in the Kitchen and Arnie as carpenter/handyman/special projects. They served with joy and enthusiasm during the 1990's into the early 2000's. Whether it was Anne's baking in the camp kitchen, or Arnie's woodworking projects around camp (such as, the wood wainscoting in Edlund Retreat Center and the Eagle Ridge Rec Center/Gym), they left a Christ-honoring mark on camp and the people they served and worked with over those years.

Arnie took our two sons fishing for the first time on Lake Beauty. The two of them hosted our boys in their home several times while we were away at our annual Christian camp conference. They were adopted grandparents for Nathan and Joel, and special friends to us. For many years we usually sat together in the same row at church in Long Prairie.

Last September, God took Anne home to heaven just 2 days before her 99th birthday. Just 3 weeks later (Oct), He took Arnie home to heaven as well. Due to COVID-19 concerns, their children held off on a celebration of life until June 26 to honor their parents and to praise God for lives well lived. Since so many knew the Rocholl's, we wanted to share this month about their homegoing and our thankfulness to God for allowing our paths to cross here at Lake Beauty.

Leland & Marcia Sheneberger,
LBBC Staff Members
