Planning for 2022-2023

Grant and I are in the midst of planning for the upcoming school year. We currently have 9 students enrolled for the fall, five females and four males. We are excited to lead our second year at Solid Rock and pray for God to be on the move in big ways.

We have also been busy visiting other Bible camps around the state to share about the unique opportunity Solid Rock has to offer. We plan to promo at UNITE North at the end of the month and a few more camps throughout the summer.

Apply for Next Year

If you are wanting to apply for Solid Rock for the 2022-2023 school year, it is not too late! We currently have 2 female and 3 male spots available. This is a great opportunity to devote nine months of your life to studying God's word, living in a Christian community, and going on life changing trips to build your firm foundation. Apply today at <https://www.solidrockmn.org/apply>.
