

2020 Cancellations:
4th of July Family Camp
Labor Day Family Camp

Camp is as disappointed as you are over the cancellation of the best family fun of the summer.

Why are these events cancelled?

Due to Covid-19, Camp is simply unable to accommodate the large number of guests we have during these holidays and stay within the guidelines of physical distancing from the CDC and the MN Department of Health.

Will Camp offer other opportunities this summer?

Yes. Lake Beauty will be open for 12 sessions of Summer Family Weekends! These will look different than what you are used to, as we will be at reduced capacity and following physical distancing and household guidelines. Information is on the website at lbbc.com. Registration opens Monday, June 8, after 9am.
