

CJMHSA TAC Subject Matter Expert Request for Information

Contribute to Improving Behavioral Health & Justice Systems Across Florida

Funded by Florida Department of Children and Families, the **Criminal Justice, Mental Health, and Substance Abuse Technical Assistance Center** provides training and technical assistance to CJMHSA Reinvestment grantees and prospective communities. Training and technical assistance occurs on- and off-site based on need of grantees and type of assistance

We support Florida communities to improve outcomes for individuals with behavioral health conditions who are justice-involved or at risk.

Service Areas Include:

- Strategic Planning
- Systems Integration
- Diversion Program Development
- Crisis Response Coordination
- Reentry System Design
- Program Evaluation
- Sustainability Planning
- Integration of peers
- Trauma-informed care
- Sequential Intercept Model
- Many more...

The TAC is expanding its network and seeking

- ✓ Community-Based Experts
- ✓ National Subject Matter Experts
- ✓ Justice & Behavioral Health Systems Leaders
