

# Now ACCEPTING APPLICATIONS!

## Partnership for Effective Programs for Students with Autism

### *About the Program*

The Partnership Program is designed to provide training and technical assistance to educators, paraprofessionals, ESE administrators, or other school personnel (e.g., cafeteria staff, bus attendants, therapists, counselors, etc.) of school programs that aim to enhance the educational experience for students with autism spectrum disorder (ASD). Each partner will be matched to a Center for Autism and Related Disabilities (CARD) professional who will mentor, provide support, resources, technical assistance, and training that is specific to the needs identified by the educator or school staff, to develop a plan for implementing innovative and effective practices within their school programs for students with ASD.

This is a  
competitive  
process. ONLY 28  
PARTNERS around the  
state are selected.

### *Benefits*

- Amazing professional development experience
- Classroom support from CARD
- Paid registration to the annual CARD Conference in January
- Opportunity to present your work

*Application deadline\*:  
September 27*

\*will accept applications after deadline  
if spots are still available.

### *Eligibility*

- Experienced ASD teachers or school staff in the State of Florida who provide instruction/service to a student or students with ASD within a general or special education program.
- Able to assess the program currently being provided to students with ASD and identify components or practices to improve or implement.
- Able to develop an action plan focused on implementing "innovative practices" within the program provided to students with ASD and bringing that plan to fruition.
- Committed to working collaboratively with a CARD professional to achieve identified goals.
- Committed to disseminating their project outcomes at the annual CARD conference.
