36 MILE	START TIMES	8:30AM
18 MILE		9:00AM
12 MILE		9:30AM
6 MILE		9:30AM

A Tampa Midtown Rotary Initiative

Over the past 11 years the Tampa Midtown Rotary Club has raised over \$200,000 with our annual Cycling for Autism event to support individuals in our community who have an autism spectrum disorder. Proceeds this year will benefit the Applied Behavior Analysis Program, the Center for Autism and Related Disabilities (CARD) at the University of South Florida, and the Tampa Midtown Rotary Foundation.

About the Event

Starting/End: Whiskey Joe's Parking Lot

Lunch: Lunch begins at 11AM on the beach area of Whiskey Joe's. Snacks during ride.

Other Activities: Cash bar service, games for children and adults, raffle, and music will be provided!

Contact: Fred Wallrapp, fred@wallrapp.com

Registration fee: \$50 (12 and under free)

Entry into door prize raffles included with registration fee. Must be present to win.

Lunch: Included for registered riders, \$20 for spectators, \$10 kids <12

2023 CYCLING FOR AUTISM

Saturday, October 21, 2023 Courtney Campbell Causeway Trail

About the Initiative

Over the past 11 years we have raised over \$200,000 to support individuals in our community who have an autism spectrum disorder. The monies raised will be donated to two programs that help people touched by autism spectrum disorder today, when families need it most.

Center for Autism and Related Disabilities (CARD) builds community capacity to support and include individuals with an autism spectrum disorder. Tampa Midtown Rotary provides the funding to help CARD do just that every day here in southwest Florida and we are extremely grateful for their confidence in our ability to be a good steward of their donations," said Christine Rover, Assistant Director of Community Programs at CARD. Funds have been used to support CARD's bike safety and helmet giveaways and young adults with autism in our Learning Academy programs have also benefited from previous events. The 2022 event proceeds will support CARD's safety projects that include wandering prevention and drowning prevention. Visit <https://usf.to/autism>

Funds given to the **Applied Behavior Analysis (ABA) Program** at USF support a scholarship fund for graduate students. The most recent recipient used the funds to complete her research on enhancing parent participation, improving behavioral services and access to services for Hispanic children with autism, and helping kids with autism cope with teaching demands. Visit <https://www.usf.edu/aba>

"We are proud to be able to offer this scholarship to well-deserving students," said ABA Director Dr. Raymond Miltenberger. "As we continue to build the knowledge base about effective interventions for individuals with autism, we appreciate the fundraising efforts of the Tampa Midtown Rotary."

Please support the Tampa Midtown Rotary Initiative
