# THIS IS MY BRAVE<sup>®</sup>

COLLEGE EDITION

## Storytelling Saves Lives

*This Is My Brave - College Edition at the University of South Florida* will be live on stage featuring USF students sharing stories about their lived experience with mental illness and/or addiction. This year's event will feature our first Brave Takes exhibit with photo stories from USF faculty, staff, and students.

Join us in our movement to eliminate stigma and increase hope for college students. It's okay not to be okay. Prepare to be inspired by this amazing cast of storytellers who are breaking barriers to end stigma!
