

You are invited

13th Annual ITRE Conference

A Free Public Event by the **Institute for Translational Research Education (ITRE)** at USF

THURSDAY, APRIL 9TH

FREE OPEN SESSIONS: 9:00 A.M. - 4:15 P.M. (ET)

Featured Scholars' presentations begin at 1:30 p.m. (ET)

GRADUATE SCHOLAR SERVICE-LEARNING PROJECTS

Five interdisciplinary teams from NAU & USF will present research addressing real-world challenges faced by community agencies.

LEADING FACULTY RESEARCH

Experts will present case studies in implementation science research and behavioral health measures.

TRANSLATING RESEARCH TO PRACTICE

Projects utilize implementation science to turn evidence into feasible, real-world community practice.

JOIN ON-CAMPUS OR VIRTUALLY

Meet at USF MHC Atrium — MHC 1201
or join via the Microsoft Teams link.

Virtual Access

<https://bit.ly/2026itre>

FREE AND OPEN TO THE PUBLIC

Inviting students, community-based providers, educators, clinicians, researchers, faculty, policymakers, and advocates interested in adolescent health, substance use, community-engaged research, implementation science, and careers in public health, behavioral health, education, psychology, social work, and related fields.
