Important Notes

Sales Particulars & Web Listings

Please note any information contained in sales particulars or web listings for businesses being marketed by Cornerstone Business Agents is intended for general guidance only and should not be taken as statements of fact.

Prospective purchasers should always seek independent professional advice before committing to purchasing a business.

Viewing Appointments

Whilst it is a good idea to visit a business that is being marketed for sale as a customer before making a formal viewing, it is vitally important that such visits are carried out confidentially and that no approach is made to the staff, owners or customers of the business.

Many businesses are being marketed confidentially and the staff and locals may not know that the business is on the market, therefore a casual approach can adversely affect the business.

Formal viewing appointments should always be made via Cornerstone Business Agents by calling 0131 445 7222 or completing our [viewing request form](#).

If you wish to cancel an appointment or will be delayed please inform Cornerstone as soon as possible. During out of office hours please call the business direct - however only speak to the person to whom your appointment is with.

Please drop us an email at info@cornerstoneagents.co.uk or give us a call on 0131 445 7222 after you have viewed to let us have your thoughts and feedback on the business you have viewed.

Trading Figures & Accounts

As sales particulars are readily available to be downloaded from the internet it is rare that confidential trading figures are included in sales particulars. For reasons of confidentiality accounts are in most cases only available after a formal viewing. We understand that this can cause problems as it is pointless viewing a business that is not affordable. We therefore suggest that you call Cornerstone and ask for the agent handling the sale who will give guidance on trading levels and profitability before you view.

Business Finance

There are a wide range of funding options available to assist with a business purchase. Cornerstone work with a wide range of lenders and commercial finance brokers to ensure that purchasers of our clients' businesses obtain the most advantageous funding facilities available. Please contact us if you would like to discuss business finance options with one of our independent specialists.

We strongly advise that business purchasers discuss funding criteria with a specialist broker at an early stage. Discussing funding criteria with a single lender is unlikely to result in the best funding solution being found. Please call 0131 445 7222 to speak to one of our finance specialists.
