### **HOLIDAY COMEDY SHOW: THE RESIGNOS**

**December 10**

**THE BLACK BOX**

Twin brothers Paul Rescigno and Robbie Rescigno write and star in a Holiday comedy show! The Rescigno brothers' eponymous show has played regularly to sold-out crowds at The Duplex in NYC since 2009, winning both the 2011 Nightlife Award and the 2011 Bistro Award. Critic Roy Sander writes of the show, "...brilliant...I would be hard put to think of anyone I would rather be entertained by for an hour than The Rescignos." Cabaret Scenes' Rob Lester says, "The Rescigno twins raise sibling squabbling to an art form." Paul and Robbie add, "We also look pretty good in our sweater vests."

Opener: Ali Funkhouser with Raye Lynn Mercer and Irina Fainkichen. An actress and singer with a love for comedy, her solo cabaret shows have been described as, "still happening." Combining musical theatre comedy and jazz standards, she brings holiday shenanigans to THE BLACK BOX.
