

23. **Feasibility Contingency.** Buyer's obligations under this Agreement are conditioned upon Buyer's satisfaction, in Buyer's sole discretion, concerning all aspects of the Property, including its physical condition; the presence of or absence of any hazardous substances; the contracts and leases affecting the Property; the potential financial performance of the Property; the availability of government permits and approvals; and the feasibility of the Property for Buyer's intended purpose. This Agreement shall terminate and Buyer shall receive a refund of the earnest money unless Buyer gives notice that the Feasibility Contingency is satisfied to Seller before 5:00pm on the Feasibility Contingency Date. If such notice is timely given, the feasibility contingency shall be deemed to be satisfied and Buyer shall be deemed to have accepted and waived any objection regarding any aspects of the Property as they exist on the Feasibility Contingency Date.

- a. **Books, Records, Leases, Agreements.** Within \_\_\_\_\_ days (3 days if not filled in) Seller shall deliver to Buyer or post in an online database maintained by Seller or Listing Broker, to which Buyer has been given unlimited access, true, correct and complete copies of all documents in Seller's possession or control relating to the ownership, operation, renovation or development of the Property, excluding appraisals or other statements of value, and including the following: statements for real estate taxes, assessments, and utilities for the last three years and year to date; property management agreements and any other agreements with professionals or consultants; leases or other agreements relating to occupancy of all or a portion of the Property and a suite-by-suite schedule of tenants, rents, prepaid rents, deposits and fees; plans, specifications, permits, applications, drawings, surveys, and studies; maintenance records, accounting records and audit reports for the last three years and year to date; any existing environmental reports; any existing surveys; any existing inspection reports; and "Vendor Contracts" which shall include maintenance or service contracts, and installments purchase contracts or leases of personal property or fixtures used in connection with the Property. Buyer shall determine by the Feasibility Contingency Date: (i) whether Seller will agree to terminate any objectionable Vendor Contracts; and (ii) whether Seller will agree to pay any damages or penalties resulting from the termination of objectionable Vendor Contracts. Buyer's waiver of the Feasibility Contingency shall be deemed Buyer's acceptance of all Vendor Contracts which Seller has not agreed in writing to terminate. Buyer shall be solely responsible for obtaining any required consents to such assumption and the payment of any assumption fees. Seller shall cooperate with Buyer's efforts to receive any such consents but shall not be required to incur any out-of-pocket expenses or liability in doing so. Any information provided or to be provided by Seller with respect to the Property is solely for Buyer's convenience and Seller has not made any independent investigation or verification of such information (other than that the documents are true, correct, and complete, as stated above) and makes no representations as to the accuracy or completeness of such information, except to the extent expressly provided otherwise in this Agreement. Seller shall transfer the Vendor Contracts as provided in Section 25.
- b. **Access.** Seller shall permit Buyer and its agents, at Buyer's sole expense and risk, to enter the Property at reasonable times subject to the rights of and after legal notice to tenants, to conduct inspections concerning the Property, including without limitation, the structural condition of improvements, hazardous materials, pest infestation, soils conditions, sensitive areas, wetlands, or other matters affecting the feasibility of the Property for Buyer's intended use. Buyer shall schedule any entry onto the Property with Seller in advance and shall comply with Seller's reasonable requirements including those relating to security, confidentiality, and disruption of Seller's tenants. ~~Prior to entering the Property and while conducting any inspections, Buyer shall, at no cost or expense to Seller: (a) procure and maintain commercial general liability (occurrence) insurance in an amount no less than \$2,000,000 on commercially reasonable terms adequate to insure against all liability arising out of any entry onto or inspections of the Property that lists Seller and Tenant as additional insureds; and (b) deliver to Seller prior to entry upon the Property certificates of insurance for Buyer and any applicable agents or representatives evidencing such required insurance.~~ Buyer shall not perform any invasive testing including environmental inspections beyond a phase I assessment or contact the tenants or property management personnel without obtaining Seller's prior written consent, which shall not be unreasonably withheld, conditioned or delayed. Buyer shall restore the Property and all improvements to substantially the same condition they were in prior to inspection. Buyer shall be solely responsible for all costs of its inspections and feasibility analysis and has no authority to bind the Property for purposes of statutory liens. Buyer agrees to indemnify and defend Seller from all liens, costs, claims, and expenses, including attorneys' and experts' fees, arising from or relating to entry onto or inspection of the Property by Buyer and its agents, which obligation shall survive closing. Buyer may continue to enter the Property in accordance with the ~~foregoing~~ terms and conditions set forth in this Section 23 after removal or satisfaction of the Feasibility Contingency only for the purpose of leasing or to satisfy conditions of financing.

c.  (check if applicable) **Access Insurance.** Notwithstanding anything in this Section 23 to the contrary, prior to entering the Property and while conducting any inspections pursuant to subsection (b) above, Buyer shall, at no cost or expense to Seller: (a) procure and maintain commercial general liability (occurrence) insurance in an amount no less than \$2,000,000 on commercially reasonable terms adequate to insure against all liability arising out of any entry onto or inspections of the Property that lists Seller and Tenant as additional insureds; and (b) deliver to Seller prior to entry upon the Property certificates of insurance for Buyer and any applicable agents or representatives evidencing such required insurance.

e.d. Buyer waives, to the fullest extent permissible by law, the right to receive a seller disclosure statement (e.g. "Form 17") if required by RCW 64.06 and its right to rescind this Agreement pursuant thereto. However, if Seller would otherwise be required to provide Buyer with a Form 17, and if the answer to any of the questions in the section of the Form 17 entitled "Environmental" would be "yes," then Buyer does not waive the receipt of the "Environmental" section of the Form 17 which shall be provided by Seller.
