

Drive-In Church

Sundays at 11:00 AM

Please review ALL the details below before attending, and plan to arrive around 10:50 am.

Before Leaving Home:

Practice how to “Tune” your car radio (MANUALLY) to 92.5 as some car radios are marked “Tune” and some are marked “Scroll.”

Note that, due to the limited range of our signal, you will not be able to tune into 92.5 until you are in the parking lot.

Use the restroom before leaving home. **(Restrooms will be open for emergencies).**

Contributions may be made online or mailed to church as we will NOT collect offering on campus.

Entering the Parking Lot:

Enter at the stop light in front of the church. Ushers will direct you to your parking spot on the north side of the church and you will be handed a bulletin.

You will remain in your vehicles and turn the car off while leaving on the battery power to access the FM station (92.5).

Clergy will bring communion to you in your car.

Exiting the Parking Lot:

Please leave during the service at any time should an emergency arise.

After worship, please wait for the direction of the ushers before exiting as vehicles will be released one at a time to avoid congestion.
