

Auditor II-FM Approvals

Job Title

Auditor II-FM Approvals

Office Location : Location

US-CA-Woodland Hills

Position Time Type

Full Time

Overview - Internal

FM Global is a leading property insurer of the world's largest businesses, providing more than one-third of FORTUNE 1000-size companies with engineering-based risk management and property insurance solutions. FM Global helps clients maintain continuity in their business operations by drawing upon state-of-the-art loss-prevention engineering and research; risk management skills and support services; tailored risk transfer capabilities; and superior financial strength. To do so, we rely on a dynamic, culturally diverse group of employees, working in more than 100 countries, in a variety of challenging roles.

Responsibilities - Internal

- Ensure the integrity of FM Approved products through performing surveillance audits throughout the FM Approvals customer base.
- Manage, cultivate and maintain partnerships with a variety of FM Approved product manufacturers.
- Independently examine the procedures, processes, systems and records for conformity requirements.
- Review Approval markings, critical drawings, documentation control, quality procedures and inspection, equipment calibration and product validation.
- Effectively perform audits and capably evaluate audit/test results, weighing the relevancy, accuracy and perspective of conclusions against the accumulated audit/test evidence.
- Accurately report on a wide variety of witness testing through effectively communicating audit results, both verbally and in written reports and documentation.

•Significant travel required. Approximately 60% - 80%

Qualifications - Internal

Bachelor's Degree required with a technical field of expertise preferred

Up to Five years of related audit, process control or QA experience
