Dear Cobbles Families,

Happy 2022 Cobbles!

We hope that everyone had a happy holiday and enjoyed some time off with their families.

We have been busy setting up our "World Languages" program, which is an after school program offering students a chance to learn some basics of another language. Each class is taught by a high school language student. The program is set to begin the last week of January and run for four weeks. More information will be sent home with your student very soon.

The PTA continues to search for parent volunteers to help with some of our spring time events as well as a Co-President and Treasurer for the 2022-2023 school year. Please let us know if you are interested!

As always, we are here for any questions, concerns or suggestions. You can email us at president@cobblespta.org

Sincerely,

Gina & Robyn
 Co-Presidents
