Greetings Cobbles Families! Happy Fall! We are so happy that parents are now permitted to volunteer in the building! Hopefully this is a start to getting back to some of our "normal" activities.

We would like to say a big THANK YOU for the turn-out we had at our very first PTA Meeting of the year! It was great to see old friends and new faces. We had a wonderful discussion and received some valuable feedback and new ideas. Let us know if you are interested in volunteering to help coordinate some fun events this year!

Another huge thank you to everyone that has joined the PTA. We saw a tremendous increase this year. This means so much!

You may be wondering: *What exactly does the PTA does for our school and students?* We collaborate among families, school administrators/teachers and the community to help make the year a success for our kiddos. The PTA raises funds to support events such as **Pops on the Playground**, our annual **Ice Cream Social**, **Teacher Appreciation Week**, an end-of-year **Teacher Luncheon** and **Science Night**. The PTA also hosts fun events for the kids throughout the school year, like **Bingo Night**, **Movie Night** and a **Dance**. We are hoping some of these things will happen this year! We also provide teachers with additional funds for classroom supplies and, recently, voice amplifying headsets to help them be heard over their masks.

From October 18-22 the PTA will be participating in "Make A Difference Day." Students can bring in canned corn or Jell-O to donate to the Penfield Food Shelf. The food shelf is assisting more families than ever this year – any help you can give is appreciated.

Our next meeting is 10/28 at 7 pm in the Cobbles library (virtual option available). Thank you for your support and we welcome your feedback. Please email [president@cobblespta.org](mailto:president@cobblespta.org) with questions.

## Indigenous Peoples Day

On October 10, we celebrate Indigenous Peoples of our country. We honor the cultures, contributions, and resilience of Native communities.

Monroe County is on native lands of the Onöndowa'ga, (*Oh-n'own-dough-wahgah*) or "the people of the Great Hill." In English, they are known as Seneca, "the keeper of the western door." They are part of the Haudenosanee (*ho-dee-no-SHO-nee*) Confederation. There are many local resources for you and your family to learn more:

**Ganondagon State Historic Site** – Victor, NY.

**Iroquois Indian Museum** – Howe's Cave, NY

**Rochester Museum & Science Center** – "At the Western Door" exhibit

*Look for more information coming home with your chid!*
