News and Updates from  PTA

## Presidents' Notes

Hello Cobbles Families!

It's hard to believe we are only several weeks away from the end of the school year!

This week we are celebrating our fantastic Cobbles Teachers! Teacher Appreciation Week is happening and the PTA has treats planned each day this week for the teachers. Pictures will be posted of each day's treats on our PTA Facebook page.

Screen Smart Week is also happening! Get outside and enjoy some time away from the screen! 335 students participated in 2019, let's see if we can beat that!

Are you interested in getting involved in the PTA? We have many volunteer opportunities coming up for the next school year! Some are minor (if you want to start small) and some more involved – but all are fun! The PTA can't function without parent volunteers, so please get involved!

Our next PTA meeting is May 13th at 7:00pm, via zoom. Hope to see you there!

## May is Asian American & Pacific Islander (AAPI) Heritage Month!

This group has tremendous diversity, as Asia has over 40 countries and even more ethnicities. About 6.9% of the U.S. population is Asian American, totaling around 21 million people!

**Why celebrate in May?** Two major historical events in this month are significant for the AAPI community.

**May 7, 1843:** *The first Japanese immigrant arrived in America, a 14-year-old boy named Manjiro.*

**May 10, 1869:** *The transcontinental railroad was completed, which was built with the labor of about 20,000 Chinese immigrants.*

AAPI Heritage month is a chance for every American to celebrate and explore the history, culture, and accomplishments of Asian Americans and Pacific Islanders in our country!

### Bring the Conversation Home

Our kids are learning about influential members of the AAPI community each morning this month during announcements. Click [\*\*HERE\*\*](#) to see who will be featured so you can learn alongside them and discuss at home.

Check out the book list Ms. Kalweit created for AAPI Month [\*\*HERE\*\*](#).

### Did You Know?

About 3% of students in the Penfield School District identify as Asian American or Pacific Islander.

At **Cobbles Elementary**, we have families from China, Japan, Iran, Iraq, Korea, Lebanon, Nepal, Pakistan, Turkey, and Vietnam. Wow!

*Can you match each of those countries with the flags below? Have your kids help!*

## Upcoming Events Celebrating AAPI Heritage Month

### \* May 6, 9:00 pm – Rock Against Hate virtual concert

With defiance, passion and spirit, leading Asian American musicians and entertainers will come together to **Rock Against Hate** for a free virtual concert on May 6 at 9 pm Eastern/6 pm Pacific. **Register HERE**.

### \* May 7, 10:00 am – University of Rochester Panel Discussion: History & Challenges of Asian/Pacific Americans in STEM Fields

Historically and currently, Asian/Pacific Americans are significant contributors in science and technology. However, they have also experienced persistent discrimination, unconscious bias, and stereotyping in society, including in higher education. This panel, moderated by Hui Wu, a professor of electrical and computer engineering, will address the challenges faced by Asian and Pacific Americans today. A virtual social hour will follow the panel for open discussions. Learn more **HERE**. Join the meeting: <https://rochester.zoom.us/j/98833626038>

### \* Saturdays, 12:30 - 1:30 pm – Justice for Asian Americans Coalition (JFAAC) Book Club

The JFAAC was established to provide support for the AAPI community in the Greater Rochester Area. Students at the University of Rochester gathered together in response to the rise of Asian American hate crimes in February 2021. Learn more about JFAAC **HERE** and join the book club **HERE**.
