Happy Spring and welcome to April! It's hard to believe there are only a few months left of this school year!

The PTA is very excited that LOTE (Language Other Than English) is happening this month!!! Kudos to the LOTE chairs for figuring out and making this happen virtually! LOTE allows Cobbles kids to pair up with students from Penfield High School to learn a little bit of another language. This year we are offering Spanish, German & French. Hopefully you were able to get your kiddos signed up!

Just a reminder that the yearbook is in the works and if you would like to purchase one, orders are due April 12th. Order at: YBPay.lifetouch.com, Cobbles ID code is: 5521121 and they are \$14.

Want to get involved with the PTA and make a difference? Consider volunteering! We will be looking for many chair positions for next school year as well as a board positions for the PTA. If interested, please email president@cobblespta.org. Join us for our next PTA meeting April 15th at 7pm via Zoom (link will be posted later). Hope to see you there!

Equity In Action

The food and supplies drive at Cobbles was a huge success!

Many thanks to the families who donated and volunteers who spent the day collecting for local community stands. To be a community, we need to take care of our community.

Did You Know?

Cloria Sutton-Dowdell of Yoga4AGoodHood is starting a Peaceful Youth Leaders program.

PYL aims to work with students in schools to develop mindfulness practices and self-management for emotional regulation, among other skills. Read more about it [HERE](#) and consider donating. It would be wonderful to support this initiative and bring it to Penfield Schools!

What to Watch For

Be a part of the change – educate yourself. The Levine Center to End Hate is hosting part 2 of a three-part series exploring the Asian and Asian American communities of Greater Rochester, the history of racism and xenophobia aimed at Asian and Asian Americans in our country, and ways we can work together to support our Asian and Asian American neighbors. Register [HERE](#) and watch part 1 [HERE](#).

Learn about how mutual aid creates sustainable change.

Join a virtual discussion on 4/15 to learn how individuals and groups can work to support and protect one other during this crisis and how we can build long-term, resilient communities beyond this moment. Register [HERE](#).
