Seal of Biliteracy

- Last year we awarded 147 Seals of Biliteracy across the district to members of the class of 2021. This shows a 23.8% decrease as compared to the 2019-20 school year that we believe is due to the pandemic.
- A decrease is also reflected in statewide data in which there are fewer Illinois students to be awarded the Seal in 2021 (10,233 projected) as compared to the prior year (11,148 projected).
- District 86 is again offering state-approved testing (AAPPL/STAMP) for the following languages 4 times (twice in Fall and twice in Spring) during the 2021-22 school year. This year we have been able to add Greek and Polish to the list of eligible languages.

District 86 Total Seal of Biliteracy Awards, 2017-2021
