Initial Student Supports

- Access to On-Demand, Synchronous Intervention in Core Content Areas
  - English, Math, Science, Social Studies and World Languages
  - Designated periods for virtual, drop-in, tutoring by content area teachers
- The QISST staff give students a work log so they can organize their asynchronous work
- If a student is too ill to complete all assigned work, QISST staff will email all teachers and request modified work based on the individual student's needs
- QISST staff can help facilitate communication between the student and their teachers and help a student get organized
- Navigating Quarantine Infographic
