Modern Music Exploration (MME)	**ANIMATION & VIDEO ART 1**
1 Semester: Open to all grades	**1 Semester: Open to all grades**
Modern Music Exploration is a multi-tiered class that focuses on many aspects of music. The class is designed for students with no previous musical experience. Students will experience learning popular instruments such as guitar and piano. Additionally, they will try their hand at composing music, using modern recording software. Finally, students will explore popular music genres of present and past that come from a variety of cultures. **Prerequisite: None. Open to grades 9, 10, 11, and 12. May be repeated for credit.**	No experience required - This is a beginner level course in District 86 that introduces the student to the growing world of animation and video art. In this foundation level course, students will express their visual creativity through drawing, storytelling, and other visual mediums. Motion graphics, character design, and video editing will also be explored in this class. Techniques of animation are taught and enable students to produce their own animated film shorts. Students will also have hands-on experience using the latest versions of Adobe animation software as well as iPads, ProCreate, and drawing tablets.
