

In the spirit of love, peace, and helping others, MSA and CSA joined forces on February 14 to make over 30 bags of lunches for DuPage Pads. The lunches include a sandwich, condiments, snacks, water, and a small Valentine token. They set a record of making 30 sandwiches under 30 minutes! The sandwiches were delivered on Friday night to the PADS overnight location in Downers Grove. MSA and CSA continue to find opportunities to work together for the common goal of showing service to all so their faiths are exhibited around and beyond the HC community.
