Summative Designations

Accountability for the 2020-21 school year was waived; therefore, summative designations will not be calculated for 2021. Schools that have been previously identified for support will maintain that support status, but no 2021 annual summative designation will be reported.

Instead the following message will be displayed on the Report Card:

Summative Designations: 2021 Not Calculated

Category	HS Measurement
ELA Proficiency (7.5%)	Determined by SAT ERBW
Math Proficiency (7.5%)	Determined by SAT Math
