Terms we should all know….

- **Test To Stay Protocol**
  - *DCHD has final say on what option may be used for each case*
  - IDPH modified quarantine option for close contacts
  - Use for indoor exposures (non-household)
  - Test at calendar days 1, 3,5,7 by PCR or Rapid EUA test from date of exposure
  - Remain in school as long as negative test
  - Only accessible if school environment features **UNIVERSAL masking**
  - *9/13 DCHD informed K-12 Superintendents that it will now allow this option but local districts must work with IDPH for protocols*
