

D86 Science Goal 4 KPIs -- Program Analysis

<u>Goal</u>		<u>Key Performance Indicator</u>
Create a strategic and coherent science program.	- One course leads to another in terms of knowledge and skills, and in building interest	1. Demonstrate strands of progression in content and skills via an alignment grid from freshman to sophomore to junior year once the curriculum for these courses is finalized and established.

1. Analysis of alignment began in Spring 2021 and will be completed in Fall 2022.
