

CTD Alcohol Guidelines

Our ability to continue the festival and have alcohol at the festival is contingent upon compliance with our liquor license. The Colorado Tartan Day Council thanks you in advance for following the guidelines. Everyone's cooperation is greatly appreciated. **Reminder: Only Colorado Tartan Day Council is licensed to sell beer/alcohol at the event in the PUB tent.**

The guidelines we **must** follow in order to maintain our liquor license and event permit are:

1. **Everyone handling or consuming alcohol MUST have a wristband**
2. **Wristbands are ONLY issued at the Pub Tent.**
3. **A CTD council member must supervise the checking of IDs and issuing of ALL wristbands**
4. **If a visitor to your tent wishes to share a "wee dram" PLEASE direct them to the Pub for a wristband PRIOR to sharing.**
5. **NO alcohol is permitted beyond the fenced festival area.**
6. **There can be NO exceptions to these requirements**

NOTE: If a Clan is imbibing in the tent, anyone handling or consuming alcohol must have wristbands. Please ensure anyone assisting in your tent is aware of these guidelines. **NO EXCEPTIONS.**
