

# NEW REALITIES, NEW CHALLENGES; LAW AND PRACTICE IN THE ERA OF TRUMP AND AMLO

## ABOUT THE CONFERENCE

New Realities, New Challenges; Law and Practice in the Era of Trump and AMLO

It's the 25th anniversary of the USMBA! Our conference builds on the success of last year's conference in Mexico City.

Electorates in both United States and Mexico have elected presidents who ran on anti-elite messages and have disrupted the political class of both countries. One is from the left of the political spectrum and the other from the right. They both have leaving their mark on legislation and the practice of law. Come join us to discuss how these events have impacted the practice of law in North America. We will feature expert panels with top lawyers, the judiciary, and academics from both Mexico and the U.S. Additionally, our program include special sessions for you to network colleagues at round tables.
