COVID—19 News from the Corner

The Corner is not performing testing for COVID-19. However, test sites in the community can be found here.

We are open and serving patients with scheduled appointments only, for patients with scheduled appointments:

- Please call before your appointment to confirm if your visit is onsite or a telehealth visit
- You may not bring anyone with you into the building
- Masks are required for the duration of your appointment, if you do not have one, we will provide you with one.

If you are sick, please call us to speak with the nurse.

FOR YOUR HEALTH AND SAFETY, DO NOT COME IN WITHOUT CALLING FIRST.

Contact Tracing

If you have been in close contact with someone with COVID-19, someone from your local Health Department might call you to inform you that you’ve been exposed and ask you to stay at home and self-quarantine.

Staying at home helps keep you, your family, and your community safe. Choose to be part of the solution and help us slow the spread of COVID-19.

January 18th 2021 is the 26th anniversary of the Martin Luther King Jr. holiday. MLK Day celebrates the life and achievements of MLK and it is the only federal holiday designated as a national day of service encouraging all to volunteer to improve their communities.

Serve your community. Visit nationalservice.gov to check out projects and volunteer opportunities in your community—there are over 300 opportunities in the Washtenaw County area!

Join EMU from January 15th-January 18th in their MLK Celebration, We the People Speak: No Justice, No Peace. Check out their schedule of events including “The Color of Drums” annual show where acting and poetry collides!

Join U of M in their MLK Symposium. Check out their events page for more info and to access the livestream link!

Reflect on how you live out your values. What are your dreams? How are you contributing to your community? What is the racial climate today and what do we do now?

“The time is always right to do what’s right.”

January is National Birth Defects Prevention Month

Birth defect prevention is urgent given the prevalence in our region. Region 9 (Hillsdale, Jackson, Lenawee, Livingston, Monroe, and Washtenaw counties) is 1 of 3 Michigan regions with the highest rates of birth defects. Although not all birth defects can be prevented, there are some things you can do to reduce the risk!

Avoid harmful substances during pregnancy, such as alcohol, tobacco, and other drugs.

Check out these 5 tips to aid in preventing birth defects and having a healthy pregnancy—#Best4YouBest4Baby!

Why is Folic Acid so important? Check out this CDC short audio about the research & how it prevents defects such as Spina Bifida!

Be sure to take 400 micrograms (mcg) of folic acid every day.

Hundreds of women have received the flu shot while pregnant with a good safety record. Check out the MotherToBaby Flu Shot Fact Sheet!

Dads play an important role in a healthy pregnancy! What can you do? Check out the tips for dads here!

Slow-Cooker Garlic-Parmesan Chicken

**Ingredients**
- 3 tbsp. extra-virgin olive oil, divided
- 2 lb. bone-in, skin-on chicken thighs
- Kosher salt
- Freshly ground black pepper
- 1 lb. baby red potatoes, quartered
- 2 tbsp. butter, softened
- 5 cloves garlic, chopped
- 2 tbsp. fresh thyme
- Freshly chopped parsley
- 2 tbsp. freshly grated Parmesan, plus more for serving

**Directions**
1. In a large skillet over medium-high heat, heat 1 tablespoon oil. Add chicken, season with salt and pepper, and sear until golden, 3 minutes per side.
2. Meanwhile, in a large slow cooker, toss potatoes with remaining 2 tablespoons oil, butter, garlic, thyme, parsley, and Parmesan and season generously with salt and pepper. Add chicken and cook on high for 4 hours or low for 8 hours, until potatoes are tender and chicken is fully cooked.
