

COMMUNITY SURVEY on AIRFIELD LAND

WHAT DO YOU WANT TO SEE?

The new owner of the Carmel Valley vintage airfield land, Ken Griggs, has expressed willingness to work with the community in allowing limited access through and around his property as he develops a wholesale nursery. CVSOS (Carmel Valley Save Open Space) is joining with Carmel Valley Association and Supervisor Mary Adams to help plan for public access. To accurately represent neighbors' opinions, we ask that you please share your thoughts on the questions below.
