This is a fun hands-on Easter experience for the whole family!

The table will be set for each person to experience what it must have been like to sit with the disciples in the Upper Room on the night before Jesus made his way to Calvary. As we journey through this 'Remembrance Feast' we will explore the individual elements of the Seder, tasting each portion, and telling the story of God's great redemptive plan.

Dress is casual and the experience will last about an hour. This is designed to be a family-oriented experience so nursery will not be provided. Instead, bring the kids and help them learn about the real events of Easter. Please note that although this is called a 'meal', it's not designed to take the place of your regular dinner.

A SERVICE OF DARKNESS

FRIDAY, APRIL 7 | 8:00 pm

This is an evening of TENEBRAE (Latin meaning "the darkening"). This quiet service of word and song, and candlelight (then darkness) acknowledges, once again, the love that Jesus has for you and me... and what He would subject himself to... for our benefit. This is the evening before the morning... the shadow in the sunlight... the darkening before the dawn.

To provide a meaningful experience, we kindly ask all attendees to please enter in silence, remain quiet throughout the service, and leave in complete silence all the way to your vehicles.

PARENTS- The nature of this service is solemn, and silence is requested upon entering, throughout the service, and upon exiting. We leave it to your discretion on whether or not it would be suitable for your child(ren).
