

The Janell Currin Camp Scholarship

Thank you for your interest in applying for the Janell Currin GA/RA Camp Scholarship. This scholarship will be awarded to a qualified applicant by a selection committee. The selection committee has the rewarding task of identifying a student or students who have lived out what this scholarship represents. To help you better understand what this scholarship is all about, we have included a short history of both the scholarship and the lady for whom it was named; Janell Currin.

The Janell Currin GA/RA Camp Scholarship Fund was established by Piney Grove Baptist Church in 2016. This fund was created to award scholarship(s) to deserving kids and teenagers who have excelled in Christian service. Piney Grove Baptist Church's desire is that this scholarship will assist with camp cost as well as promote the qualities and faithfulness of the one whose name it bears; Janell Currin.

Janell Currin was born in North Carolina in 1954 to Nelson and Betty Bennett. Throughout her childhood Janell's parents had her very active in Piney Grove Baptist Church. As a child, she attended Sunday school, sang in the choir and participated in GA's. Janell served the church faithfully as a teenager and young adult in choir, nursery, vacation bible school and wherever else she was needed. Janell married her high school sweetheart Ronnie Currin in 1974 and they had four children together. Three boys and one girl: RJ, Nicole, Dustin and Luke. Janell and her family attended Piney Grove as well. As Janell's children grew older, she became a "MiMi" to eight grandchildren: Dylan, Sunshine, Brooke, Austin, Alyssa, Braden, Bryce and Logan. Janell had many other children she took under her wing and called her own. She loved children with all her heart.

Janell became the director of the Girls in Action and served faithfully, selflessly and unconditionally. She started the annual Father Daughter Sweetheart Dance, her favorite event. She loved being able to give the opportunity and watch the Dad's and daughters make memories. Her message to the GA's was one that encouraged and urged them to live out their faith. Janell demonstrated this message throughout her life, always giving unconditional love and giving her best to Christ. Janell always smiled and you could see God's love radiate and shine through her. She had a unique bond with each girl and made them all feel special. She loved them.

In February 2015, Janell was diagnosed with cancer. Throughout her fight with cancer Janell showed us all what it meant to serve Christ. In December 2015, Janell gained her wings and went home to be with her Savior. It is our hope and desire that this scholarship promotes and memorializes a strong commitment to serving God faithfully. May those who come behind Janell be as faithful!
