

Summer Ministry Intern

About Tyler Cole

Tyler Cole has been an active Piney Grove church member since 2005. He is the son of church members, Mike and Michele Cole and will be a senior at Wingate University this fall. He was very active in the youth ministry here at Piney Grove during his Middle and High School years. Towards the end of October 2018, Tyler approached Youth Minister, Alex Gonzalez about his desire to be used here at Piney Grove Baptist, especially with the absence of former Associate Pastor, Glen Warren. He felt he could fill in some gaps and possibly lighten the load for the staff. Tyler brings with him giftedness and much experience. Working with Centrifuge camps, his musical ability, and his work ethic are just a few of the things he brings to the table. He had been offered a position at Centrifuge again for the summer of 2019, but his desire is to work with Piney Grove here in Fuquay-Varina.
