Department of Primary Industries and Regional Development

# Hardy Inlet Community update session

*Want to know what is happening in your local waterways?*

Come along to find out about the current condition of the inlet, the latest scientific research and what on-ground actions are being implemented by the Regional Estuaries Initiative and local organisations.

Presented by the Department of Water and Environmental Regulation, Lower Blackwood Land Conservation District Committee and other local organisations as a part of the State Government's \$20 million Regional Estuaries Initiative.

**When: 4:30-6:30pm, 4 December 2018**  
**Where: Augusta Hotel, 53 Blackwood Av**  
**RSVP: [tiny.cc/hardycommunity](http://tiny.cc/hardycommunity)**
