

## **'What's up' on the Mountain?**

**Thanks to a dedicated crew at our fall work weekend, our favorite home away from home is all closed up and snug for the winter - awaiting our joyous return when the snow finally melts.**

**For our Campers, Deans, Counselors, and Summer Staff, Camp is a fond memory of summer fun, faith, and friendship. For Tivvi and Tim, it is all about planning and preparing for next summer! We have a great summer of camp delights already planned with excellent Volunteers in place and Staff being hired as you read this.**

**Some things to look for coming soon:**

- **The Horton Center annual appeal letter has gone out asking for your support of this amazing Outdoor Ministry that we are blessed with in the New Hampshire Conference UCC. Thank you for your generous gifts that help make Horton Center continue to thrive.**
- **The 2023 Summer Brochure with all the awesome camp sessions for all ages is at the printers now, soon to be hot off the press and in your mailbox or at your local church.**
- **Summer Camp Online Registration will open January 1, 2023, and we are so excited already we can't wait!**

**Reminder to HORTON CENTER ALUMNS: If you haven't already, please sign-up on the HC Alumni list to get the latest info about upcoming Alumni events and ways to connect with each other. Just go to: <https://forms.gle/GN5wXoh5Hkz7ckq59>, fill in the short form and come join the fun of camp again!**

**NOTE: Please share this link with others you know from your time at camp - we want to gather as many as possible in the spring. More info about that event later...**

**Enjoy this season of change and anticipation and stay warm!**

**Shalom my friends, shalom.**
