

Dear fellow golfers,

I cordially invite you and your friends, to join us for a day of relaxation, friendly competition, and eating at our Institute of Transportation Engineer's 37th Annual Golf Invitational on Friday March 20, 2020 at Menifee Lakes Country Club in Menifee, California.

Our last 36 Golf Tournaments have been very successful due, in part, to the participation of our vendor and consultant friends.

I hope that you can participate personally in this year's tournament and provide a contribution. The cost charged for the golf tournament covers the golf and the great buffet lunch. Your cash contribution will help with the cost of golfing awards and raffle prizes. If you wish, you may choose to contribute a gift certificate, clothing, or anything that would make a great door prize item. During lunch I will present the golf awards and raffle off the door prizes and recognizes you for your contributions.

If you choose to provide an item for the raffle, please bring those items with you the day of the tournament.

Please refer to the attach flyer for detailed golf tournament information.

Thank you in advance for your participation and support of our annual golf tournament. I hope to see you there.

Sincerely,

JR Morgan  
Tournament Director
