ABOUT COMPASS

The Community Providers of Adolescent Services (COMPASS) is a **501(c)(3)** non-profit supporting thousands of Massachusetts residents each year. The organization's first services were special education, outreach and tracking, and foster care in the Greater Boston area. Our mission is **"to equip those it serves with the skills to become self-sufficient, productive members of their communities and society."** Your investment in quality programming will result in long-term positive impact on local youth within your own community.
