Downtown Business Owner/Resident

**Re: Temporary Closure of City Hall Parking Lot for Maintenance**

Dear Business Owner/Resident:

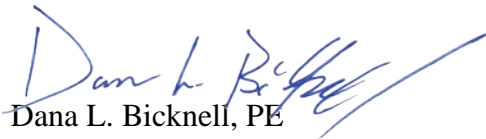

On Friday, October 19, 2018 at 5:00 PM, the parking lot located behind City Hall will be closed for sealcoating and restriping. All vehicles will need to be removed by this time. Access to the parking lot will be restored on Monday, October 22, at 7:00 AM.

The dumpsters currently located in the corner of the parking lot will be temporarily relocated to the gravel parking lot located on the east side of Mechanic Street during the parking lot closure. The dumpsters will be placed back in their usual position on October 22.

We apologize for any inconvenience that this will present. This maintenance work will to preserve and lengthen the service life of the parking lot.

If you have any questions or concerns, please do not hesitate to contact us.

Sincerely,

  
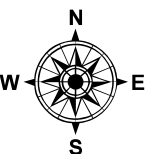

Dana L. Bicknell, PE  
City Engineer
