The KSUCPM Pre-Matriculation program is designed to help PREPARE students for the rigors of medical school, REVIEW high yield Anatomy concepts prior to the beginning of the academic year, LEARN new study strategies that will be instrumental to surviving medical school.
Kent State University College of Podiatric Medicine’s Pre-Matriculation Program is an intensive two-week course designed to provide members of the Class of 2024 an extensive basic science preparation and an extended orientation to the school and local area, and to the demands of the first year medical school curriculum. Students will learn how to navigate the volume, pace and rigor of the curriculum at KSUCPM, while brushing up on pre-clinical science concepts.

The Pre-Matriculation program will be presented by faculty members and educational specialists to help students to master high yield anatomy concepts and essential strategies such as time management, success strategies and evidence-based learning skills.

Schedule, Content and Assessment

Schedule:
- Monday through Friday, 8:30 - 3:00pm, July 13 - July 24, 2020
- KSUCPM Campus, Independence, Ohio
- Daily lunches provided
- A complete schedule will be available in Spring 2020 and included on the website.

Science Content:
Science content based on the first semester curriculum:
- Medical terminology
- Cell biology
- Head and neck anatomy
- Thorax and abdomen anatomy
- Upper extremity anatomy
- Back anatomy
- Neuroanatomy
- Musculoskeletal anatomy
- Genetics
- Embryology

Application Process

Students admitted into the KSUCPM Class of 2024 and choose to accept this offer may apply for participation in the program online: https://www.kent.edu/cpm/ksucpm-pre-matriculation-program

Only 60 spots are available. The deadline to apply is June 29, 2020. Applicants who do not have a strong background in the medical sciences, non-traditional or career-changing students, as well as minority students, are encouraged to apply. Additional information about the program and the research component of this program can be found on the website.

Questions?

For more information about the KSUCPM Pre-Matriculation Program, please contact Viveka Jenks, Education Innovations & Learning Design Manager, at vjenks@kent.edu or 216-916-7479.
