

Get up to 100% coverage on your medication

Pocketpills Bonus Coverage

From April 1st to December 31st, 2022, Pocketpills online pharmacy is offering members with a Chambers Plan Health option up to 100% coverage on prescription medications.*

Pocketpills already provides Chambers Plan members with an extra 10% drug coverage.* But effective April 1st, they are offering an additional 20% Bonus Coverage; up to \$100 per medication, per refill, to a maximum of 100% coverage.

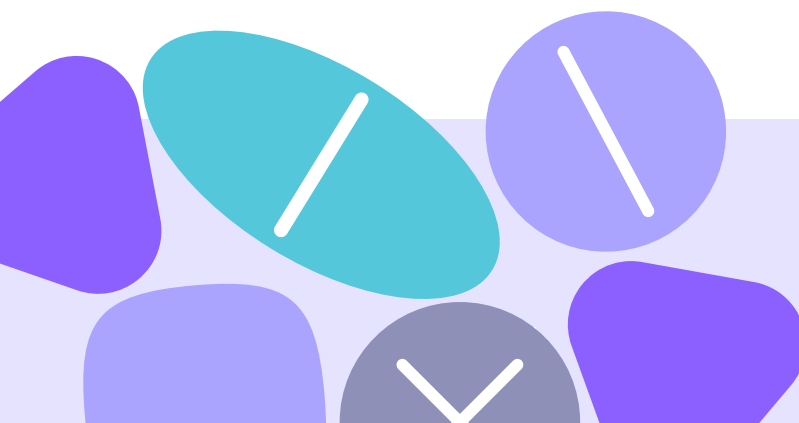

When the Bonus Coverage expires at the end of the year, members will continue to receive the extra 10% of Pocketpills drug coverage available through Chambers Plan.

Pharmacy at your fingertips

Pocketpills offers a fast, friendly virtual pharmacy experience. Through their easy-to-use app and website, members can fill prescriptions, consult with pharmacists, and order medication with free delivery anywhere in Canada.**

*Due to provincial regulations, this promotion is not available to residents of Quebec.

**Pocketpills may be restricted from delivering controlled substances and narcotics in your area. See [here](#) for more details.

Signing up is easy through

1 Who is eligible for Bonus Coverage?

All members and their dependents covered under a Chambers Plan Health option, and who are not residents of Quebec, are eligible.

2 What drugs are eligible for the Bonus Coverage?

All eligible drugs covered through Chambers Plan are included, to a maximum of \$100 per medication, per refill, and to a maximum of 100% coverage.

3 When does the Bonus Coverage start and what happens after it ends?

Bonus Coverage starts April 1, 2022 and is available until December 31, 2022. Afterward, you will continue to receive the extra 10% coinsurance currently offered by Pocketpills through Chambers Plan when using Pocketpills pharmacy.

4 What if I am already a Pocketpills member?

If you're already a Pocketpills member, there's no additional work required! Your Bonus Coverage will automatically activate on April 1, 2022 and continue until the end of the year.

5 How does Bonus Coverage work with a dispensing fee deductible or cap?

The Bonus Coverage is applied irrespective of any deductibles or caps, to a maximum of 100% coverage. The dispensing fee is fully covered during the Bonus Coverage period.
