

## Baystate Welcomes New Nurse Practitioner

Baystate Children's Hospital and the Division of General Pediatrics and Community Health is delighted to welcome **Ms. Jillian Midghall, FNP** to High Street Health Clinic. Ms. Midghall received her undergraduate degree in microbiology from the University of Massachusetts – North Dartmouth, MA and her Master of Science in Nursing- Family Nurse Practitioner Concentration from the American International College here in Springfield. As a FNP student, she did some of her clinical rotations right here at Baystate as well as pediatrics training with Dr. Amy Pelletier, a former Chief Resident in Pediatrics at Baystate Children Hospital and currently practicing at Fairview Pediatrics in Chicopee. Jillian will focus on primary care in pediatrics at HSHC. Welcome Jillian - we are delighted you have joined us!
