Prepare for Advocacy & Action! Pre-Legislative Action Day Training Call

The Massachusetts Coalition for the Homeless will be offering a training via conference call to help participants prepare to take part in our upcoming Legislative Action Day 2020.

At Legislative Action Day, we will be pushing for key budget and bill priorities, such as putting the new upstream rental arrearage program into state statute; increasing funding to \$8 million for housing and services for unaccompanied youth and young adults; strengthening cash assistance programs for families with children, elders, and people with disabilities, easing access to Mass ID cards for people experiencing homelessness; creating more housing subsidies under the Massachusetts Rental Voucher Program and the Alternative Housing Voucher Program; and passing the bill of rights for people experiencing homelessness.

Learn more and join with advocates, providers, and concerned citizens from across Massachusetts to strengthen the movement to prevent and end homelessness!
