

# Celebrate Children's Dental Health Month with HPP!

## You're Invited!

Join HPP as we celebrate National Children's Dental Health Month, which raises awareness of the benefits of good oral health.

We invite childcare programs ages 3-5 to join us for **a free** virtual story time featuring, "The Story of Happy Tooth and Sad Tooth" by Ariel Cornwall. Children will learn ways to practice good hygiene and take a virtual field trip to the dentist to experience what happens during a dental visit.
