

MSSC Future Industry Leaders Scholarship Program
\$2500 Scholarship for Students/Professor
Attention Students!

Eligibility

Each applicant must be a full time undergraduate or graduate student in water resources related degree program for the 2017/2018 academic year. (Students actively enrolled in an approved intern program are eligible for scholarship).

\$2500 Scholarship

The MSSC will contribute \$1500 in value to the student/professor selected.

Avila and Associates will contribute \$1,000 in value,

Value:

\$1200 Cash Award to Student Scholarship Winner

2018 Summit Value:

2 nights lodging for winning student & professor (Tuscany) (\$300)

Complimentary registration for winning student & professor (500)

Travel allowance for winning student & professor (\$250 each)

Selection Criteria

The scholarship will be awarded to the student based on the overall evaluation of a 500 word essay about career objectives, transcript, resume, letter of recommendation, and leadership in extracurricular activities related to water resources.

Application Process

A complete application packet contains:

- * Title page that includes the applicant's full name, permanent mailing address, email address, phone number where he or she may be easily reached, and the type of scholarship (undergraduate or graduate).

- *Two-page summary (approx. 500 words) of his/her academic interests and achievements, extracurricular interests, and career goals as they relate to the above selection criteria.

- *Resume or curriculum vitae.

- *One signed letter of reference from professors and/or advisors. Letter of reference MUST include the signatures of the referee - PDFs of the signed letters work best.

- *Current college transcripts (undergraduate and graduate). Legible copies of "Issued to Student" transcripts are acceptable to save on fees but unofficial grade reports (such as those students can access from their online student accounts at the university) are unacceptable. Application packets that include unofficial grade reports will not be considered.

Submittal Information

Application packets should be submitted electronically to MSSC limited to 5mb in size to ensure delivery. All applications must be submitted in their entirety. (Letters of reference may be submitted separately if necessary, however we recommend including with your application where possible to ensure completeness).

Please call Christine Kimberling with MSSC at 719-237-3508 or email: ckimberling@q.com with any questions concerning the submittal process.

Scholarship Application Deadline: Friday, December 15, 2017

MSSC will provide an acknowledgement of receipt of your application but will not provide updates to your application status or request missing information. Please make sure your application is complete when it is submitted.

* The MSSC Board of Directors may, at its sole discretion, approve additional scholarship awards, based upon availability of funds.
