

Elder Action Presents:

VOTE YES ON PROP 15

Join us to find out why we say VOTE YES ON 15

Tuesday, August 18th 2-4 PM

Proposition 15 will be on our ballot this November. It will close a loop hole in Prop 13 that will bring \$12 billion in yearly revenue to our schools and communities by insuring that a handful of the largest corporations like Disney and Chevron begin to pay their fair share of property taxes.

It will not affect residential property of any kind.

On Tuesday, 8/18 2-4 PM, Ben Grieff will discuss what Prop 15 will and won't do, answer our questions, and tell us how we can get involved to help pass Prop 15.

Ben Grieff sits on the Executive Committee of the Prop 15 Schools and Communities First Initiative. As a Campaign Director for Evolve, California, he has helped lead California's campaign to restore funding for California's public schools.
