Please join us for an information session about the biannual China Import and Export Fair (Canton Fair), China's largest and most important trade show. With over 58,000 exhibitions, the Canton Fair is one of the best places to source products, meet partners, and reach the growing Chinese consumer market. U.S.-China Chamber of Commerce (USCCC) has been a strategic partner of the Canton Fair for over 20 years and has led several trade missions to the Canton Fair. We plan to attend this event in the May session.

This event is ideal for companies and professionals that are interested in sourcing products from China, selling products to the growing Chinese consumer market, and exploring new business opportunities. The presentation and Q & A session with the Canton Fair organizing committee will be followed by a cocktail and networking reception. A leader of the Canton Fair will join us from China through video, and several Canton Fair staff will be onsite to answer questions. This is also a unique opportunity to network with others who have an interest in doing business in China and Asia. USCCC provides one of the largest and highest quality networks with a focus on U.S., China, and Asia business. It has also made connection for many businesses, entrepreneurs, professionals, and financiers in the last 30 years.

There is no fee to attend this event, and spaces are limited. It is by invitation only. Please RSVP by completing the registration form below and email it to RSVP@usccc.org or by fax (312) 368-9922. We look forward to seeing you next week, and please feel free to contact me at 312-368-9030 or sivayam@usccc.org. We apologize for the short notice.
