

JUBILEE

ON WEDNESDAYS

7:30-9PM, FUMCB

COLLEGE & YOUNG
ADULT MINISTRY
SINCE 2011

The Markus Dickinson Jubilee Endowment

Our goal is to honor Markus' legacy while also building a firm foundation for Jubilee's future with a 5% annual return on investment. In 2026:

- \$22,000 supports Jubilee activities for a year
- \$42,000 supports salaries for director, assistant director, and interns

Please prayerfully consider a gift that will make a difference in the faith journey of a young adult today.

An Average Wednesday

At 7:30pm, 30-50 Jubileers gather to talk, eat, and connect. Markus and 2 interns per semester lead discussions on faith, relationships, the environment, and more.

A Growing Ministry

- 20 interns, since 2011
- 230 people got coffee with Markus from 2020-2023
- 300 people have attended Jubilee over the last 8 years

Small Groups

Each year, there are:

- 2-3 Bible study groups
- 3-6 interest groups (JubiNature, JubiRunners, etc.)

A Reconciling Ministry

Jubilee voted to become Reconciling in the spring of 2021.

A Word from Jubileers

"In a tumultuous world, Jubilee provided me with a true sense of belonging, friendship, and love. I am eternally grateful for having had the honor of being a Jubilee!" – Cooper Sykes

A Word from Markus

What brings you joy?

"The kids. The jokes, the growth, & the excitement of people learning to be who God made them to be."

What's the impact?

"Our interns, other leaders, & regular members of Jubilee learn to 'go and do likewise' - to get to know people in their lives and to be available in times of joy & times of struggle. They learn to be good followers of Christ, and that radiates outward beautifully."
