

GOLD CREEK FACULTY WORKSHOP

Field Station Safety At Gold Creek

Saturday, March 9, 2024

10:00am – 2:00pm

**First Aid Training:
AED, CPR, & field
dressing**
**Site Training:
Gates, locks, & radios**

Faculty at this workshop will gain skills to confidently and safely lead field trips at the Gold Creek Ecological Reserve.

- Our morning First Aid instruction will be from ELAC Fire Technology Faculty.
- After lunch, current and former site coordinators will demonstrate site security best practices.

Please let a member of the committee know if you are coming. FLEX credit is available.
