

Step Up Anderson Township

A coalition for a safe, healthy and drug free community
presents the second of a three part series "Critical Conversations"

Navigating the Teenage Brain

Dr. Larry Graham, MD is a psychiatry specialist in Cincinnati and will speak about current trends seen in teen substance abuse and how to avoid serious pitfalls.

Amy Ledyard MSW, LISW of Solutions Community Counseling and Recovery Centers will discuss the adolescent mindset and how to understand and ultimately find help!

Constance M. Harrison BA, MA Senior Parent Educator with Beech Acres Parenting Center's Child Development will speak about the Parent Coaching Program that empowers parents/caregivers to navigate the teenage years.

Parents/Caregivers are invited to come and listen to the professionals as insightful information is shared.

Please RSVP to stepupandersontownship@gmail.com by January 28th as seating is limited!
