Eye on Taiwan Oolong Roots Natively and Grows Digitally

Sharing the Beauty of Taiwan's Oolong Tea in 2026

Originated from a deep-rooted land (the Ancient Tea Garden) in Taiwan, oolong tea is more than just a plant—it's a cultural heritage and a symbol of human wisdom.

Through the power of AI and ESG, the development of the tea industry is experiencing a new breakthrough, showing the world the stunning charm of "Taiwan Tea" and the excellent value of its combination of tradition and innovation in the modern era.
