What is a Quartermania?

It's a cross between a bingo, auction and raffle! People 'bid' to win a product/prize from various vendors. Bids on these new items are from 1 to 4 quarters. A vendor holds up an item for auction. If you are interested in the item, you bid on it using your quarter(s) and raise your paddle. If your paddle number is drawn, you win that item...

Don't forget your quarters!!
