***Bethlehem University***

Bethlehem University was founded in 1973 as a work of the Vatican and the De La Salle Christian Brothers. With a student population of over 3,300 students, it is a Catholic co-educational institution in the Lasallian tradition whose mission is to provide quality higher education to the people of the Holy Land and to serve them in its role as a center for the advancement, sharing, and use of knowledge. The University is serving to maintain the dwindling Christian community by supporting educational programs that provide gainful employment upon graduation. As the largest employer in Bethlehem, the University allows its overwhelmingly Christian workforce the means to remain in the Holy Land. Bethlehem University is forming the future generation of leaders and peacemakers in the Holy Land.
